

Directions to College of Education Building
30 Pryor Street
Georgia State University

From I-20 East: Go north on I-75/85 to Georgia State/Central Avenue exit. Follow signs to Central Ave. (Don't take Fulton Street). Pass the capitol on your left. Look for Decatur Avenue and turn left on Decatur. Go ½ block and turn in to one of the parking areas on the left behind the Education building.

From I-75/85 South: Take the Courtland Street exit. Follow Courtland to Edgewood and turn right. Go a few blocks until you reach Park Place. The sign for Park Place is small, green, and sort of hard to see, but there is a Georgia Power office on the left and a city park diagonally to your right. (If you get as far as Peachtree, you have gone too far.) At this intersection, Park Place becomes Pryor Street. Go one block and turn left on Decatur Avenue. Go ½ block and turn right into one of the parking areas. There are also other public parking places in the area, including metered parking on Wall Street.

From 5-Points MARTA station: As you come out of the station onto Peachtree Street, turn left. Cross Peachtree Street at the first intersection, then walk one block on Wall Street. When you get to Pryor Street, you will see the COE building straight ahead across the street. The entrance to the building is in the middle of the block.
